Who we are

Deco roofing systems was started in the year 2008 by a group of professionals with the aim of bridging a gap in the increasing demand for roofing and water proofing solutions.

We are the distributors of Deco stone coated tiles, asphalt shingles and APP water proofing membrane.

Deco Roofing systems is a local franchise holder for Tegola CANADASSE, KD One and InsuTech brands making us the trusted leader in the construction industry.

In addition to the supply of construction materials we offer a variety of additional construction solutions. These alternatives can cater to your specific requirements. Feel free to explore these options and choose the one that best suits your needs.
